

Macon County Middle School

Virtual Learning with

Classes are now active in Odysseyware. You can access your classes by clicking the link shown below:

<http://macon.owschools.com>

Enter the following login information:

Username: Student 5-digit ID number (Example: 12345)

Password: Same as Microsoft Office 365 (Example: SW12022002s)

Once logged in, you should see your courses under 'Learn'.

Please note:

- For now, only core subjects have been added to Odysseyware. The elective courses will be added at a later time.
- Students should continue to log into ixl.com for the ELT class period.
- We are in the process of developing a student-friendly pacing guide to aid students in staying on track with each course.

For further assistance, an Odysseyware video tutorial is available at the following link:
